Cleanliness at Indoor Show Venues – Dogs peeing indoors

After numerous complaints from venue owners about exhibitors/handlers allowing dogs to pee against pillars and walls inside show venues, the Central Committee will effective immediately enforce the following rules :

- Any person seen **allowing/encouraging** their dog, (without attempting to refrain them) to pee against any pillar or wall inside any indoor show venue, will be immediately asked to leave the venue and not allowed to compete any further. Any awards won that day at the time of the offence, will also be withdrawn.
- The **dog** in question, the **owner and handler** will be subject to an immediate 12 month ban from any MKA shows and activities, without chance of appeal.
- The above rules apply to all MKA shows held indoors and apply to MKA members and visiting handlers/exhibitors.

It is very unfortunate that we have to come up with such rules, but when selfish people have NO respect for the venues we take trouble to get **and** are too lazy to use the doggy toilets provided, we have to safeguard the ability to keep renting indoor show venues for other shows, for the benefit of ALL MKA activities. You are responsible for your dogs, so please watch and control them at all times.
