

Eligibility for MKA Dog Sports Awards

Registration of non-pedigree, non-registered purebred or mixed breed dogs who participate in Dog Sports is important, for these dogs to be able to qualify for the MKA Annual Dog Sports Awards.

The **MKA Dog Sports Registry** is open to MKA members only, to register non-pedigree, non registered purebred or mixed breed dogs who participate in any MKA recognised Dog Sports Events.

This is to give each participating dog a unique MKA Registered number, together with some details of the dog that will also be linked to the microchip number of the dog. All dogs registering **MUST** be microchipped. If you do not have a microchip, this can be obtained from the MKA. It will become mandatory from **1st September 2023** that all dogs registering in this registry must be microchipped.

MKA Registered dogs **DO NOT NEED** to register in the Dog Sports Registry, as these dogs already have a unique MKA Registration number.

How to register?

Go to the MKA website www.dogsmalaysia.my and Log in or Sign up. To Log in you must already be an MKA member. Should you face issues or have inquiries, please do not hesitate to call the MKA.
